School Uniform

Please remember that our uniform policy expects all children to wear all black footwear. All black trainers are fine but no large coloured patterns/ logos, coloured soles or coloured laces. If children are bringing different trainers for the Daily Mile, this is fine, but children must wear their black footwear in class. We continue to have a large stock of plimsolls for children to change into if they have not brought appropriate footwear.

Trainers for PE do not need to be black

On PE days, pupils are currently asked to come to school dressed in PE kit

Dinner Money

The cost of dinners is £10.00 per week.

Dinners can be ordered and paid for by our

NO SMOKING SIGNS

Due to the health and safety of the children could we remind parents/carers not to smoke outside the school perimeter

A note from the Principal

Hello all,

Attached to the newsletter today is an overview of local Easter library events—there's some great stuff to get involved with as a family so take a look!

On Monday, we had a visit from the Assistant Principal at Rowlatts Mead (some of you may have met her when on the gate with me!). She was so impressed with what she saw at Knighton Mead and enjoyed meeting children across the school.

After the Easter break, Ramadan begins. I ask that you let us know if you intend on your child fasting during this time so that we can make arrangements to support. Give me a call if you'd like to talk it through.

As a school, we are committed to ensuring that track and trace continues to be robust over the Easter break. If

your child becomes symptomatic during the first week of the 2, has a PCR test and receives a positive result, please let me know by emailing office@knighton-tmet.uk. I can then notify any close contacts to self-isolate accordingly. Our families have been really great at communicating throughout so thank you for helping us keep the community as safe as possible. In addition to this, please remember to follow lockdown and social distancing guidance to reinforce the safety measures that we have in place in school in order to avoid bubble closures wherever possible.

This week marked a year since both the first partial school closure and the beginning of the first national lockdown due to Covid-19. We've had to navigate a lot as a community, often with very short notice of big changes. We have all been challenged in a huge range of ways. The resilience and support we have experienced from you all has enabled us to make swift decisions along the way, putting the safety of children, families and staff at the forefront. A heartfelt thank you to everyone, but particularly the children at Knighton Mead for their positivity and for always keeping us smiling.

Stay safe and have lots of fun over the next 2 weeks. See you on the 12th!

Miss Slinger

Mrs Edwards

Our Primary Leadership Team

The children are working on an exciting project to help improve our school with Mr. Knott.

As well as this, we have been discussing wellbeing for all our children. One of the things we have done is put a copy of the Happy Newspaper in each classroom. Children can read this, or have articles read to them.
