School Uniform -

Please remember that our uniform policy expects all children to wear all black footwear. All black trainers are fine but no large coloured patterns/ logos, coloured soles or coloured laces. If children are bringing different trainers for the Daily Boost, this is fine, but children must wear their black footwear in class. We continue to have a large stock of plim-solls for children to change into if they have not brought appropriate footwear.

Trainers for PE do not need to be black

No jewellery

On PE days, pupils are currently asked to come to school dressed in PE kit

Dinner Money

The cost of dinners is £10.00 per week.

Dinners can be ordered and paid for through our

NO SMOKING SIGNS

Due to the

health and safety

of the children could we remind parents/carers not to smoke outside the school perimeter

A note from the Principal

Hello all,

I hope that you have all had a lovely week—it's been a busy and fun one at Knighton Mead! Children have settled in brilliantly and showed enthusiasm with their learning. We have now appointed roles in the brand new Job Centre introduced this year and pupils have had training from their line managers. Already, we are seeing children shine in their roles and contributing brilliantly to life at our school.

You may have seen the Knighton Mead Covid Memorial Wall developing on the KS2 playground. All staff and children have had the opportunity to contribute to this piece of art inspired by the national wall in London.

There's been lots of football related fun and celebrations this week, with our football team playing their first set of matches in the TMET tournament. They did us so proud and showed great character and respect throughout.

8 lucky Y5/6 children who were picked at random were able to go to the LCFC game against Napoli last night at the King Power. Again, they were fantastic role models and representatives for our school community—thank you to LCFC in the community for the tickets!

Have a great weekend!

School Gateway and moving towards being paperless!

To improve our communication with parent/carers, reduce paper letters and enable you to make efficient payments online for things like school dinners and trips, we now have a system called School Gateway. A huge number of families are already set up so thank you!

Most of Knighton Mead related communication and payments have been going through this system from February and this is now the central hub of information for parents. We hope to move newsletters to this too very soon. Please download the app for free if you haven’t done so already by searching School Gateway in your App store and download.

The set-up process is simple and will take no more than a couple of minutes:

1. Search for “School Gateway” in the Apple App Store/Google Play or on your phone go to www.schoolgateway.com/apple (Apple) or www.schoolgateway.com/android (Android)
2. Install the app and if you are asked then say yes to “Allow Push Notifications”
3. When you launch School Gateway for the first time, please select ‘New User’ and enter the email address and mobile telephone number you have registered with the Knighton Mead.
4. The system will send a PIN code to your phone; please enter this PIN code and the app will be activated for you.

As soon as you’ve got the system set-up, all of the text messages we send you will appear in the app; you’ll receive notifications/alerts as normal.

Use School Gateway to make online payments with a debit or credit card any time 24-7. You can also view meal balances and top them up. Plus, you can give online consent where required, for your child to take part in trips and other activities.

If you are having trouble activating your School Gateway account, it may be because the school does not have your current e-mail and mobile phone number on record. It is essential that you contact the school so that we can update your details on our system and enable your access to the service. Please let us know if you have any updates!

Attendance

Congratulations Sheridan and Lothair with your amazing attendance this week, a fantastic effort.

A huge congratulations also goes to Cavendish with only 1 late mark this week. Please ensure that you contact the school office or leave a voicemail every day your child is absent from Knighton Mead.

Many thanks for your help and support.
