School Uniform -

Please remember that our uniform policy expects all children to wear all black footwear. All black trainers are fine but no large coloured patterns/logos, coloured soles or coloured laces. If children are bringing different trainers for the Daily Boost, this is fine, but children must wear their black footwear in class. We continue to have a large stock of plimsolls for children to change into if they have not brought appropriate footwear.

Trainers for PE do not need to be black

No jewellery

On PE days, pupils should bring their PE kits to school with them so they can get changed before the lesson.

Dinner Money

The cost of dinners is £10.00 per week.

Dinners can be ordered and paid for through our

NO SMOKING SIGNS

Due to the health and safety of the children could we remind parents/carers not to smoke outside the school perimeter

A note from the Principal

Hello all,

Happy New Year and I hope that 2022 is a happy and healthy one for you, your friends and family. We have had a very positive and enthusiastic start to the year, with children arriving to school smiling and ready to learn each day. In assembly on Tuesday, we discussed our school ethos: Nurture, learn, achieve. It might be nice to ask your child/ren about what this means to them.

Last term we introduced the Knighton Mead Job Centre and we are so pleased and proud of how successful the launch was. Children across KS1 and KS2 applied for jobs that they were interested in and many were successful in securing a role. These included Plant Managers, Lunch Time Managers, Reading Partners—and lots more. Children enjoyed contributing to school life and impressed their line managers greatly. This week, our next round of applications took place and roles will be offered to successful candidates next week. The feeling of pupil belonging and contributing to our school is brilliant to see.

Can I give a gentle reminder about behaviour around gates, particularly in the morning before school. We want to ensure that all children and families are safe so ask that we reduce the number of children running around close to the road.

Finally, the Primary Leadership Team (PLT) need your help, once more. For their next project, they are raising awareness around plastic pollution. The aim is to create pieces of artwork made from used plastic. Could you please save your used plastic, wash it and send it to school. The last day for collections will be the 21st January. Thank you in advance!

Have a lovely weekend and I look forward to another year of fun and achievement for Knighton Mead with you all this year.

The Knighton Mead Snack Shack!

It has now been 3 years since we first launched our very own, onsite Snack Shack! However, during the past couple of years, we have had some disruption to the running of this but are now able to open the Snack Shack fully again to all KS1 and KS2 children. It offers healthy snack options at low cost.

The Primary Leadership Team (school council) helped decide on stock but if children or adults have any suggestions for more healthy snack options, please let Miss Slinger or Mrs Chudasama know so we can look in to it!
