% making at least 0.0 in maths	92	46*

3. Barriers to future attainment (for pupils eligible for PP including high ability)

In-school barriers

- | | |
|-----------|---|
| A. | The vast majority of our PP children, across the school, lack enrichment opportunities which can prevent the development of vocabulary and knowledge – this directly effects speaking and listening, reading and writing attainment and progress. |
| B. | There was a 23% gap between the proportion of PP pupils attaining combined greater depth and that for other pupils by the end of KS2. This is reflected in gaps for greater depth in reading (11%), writing (38%) and maths (18%), smaller gaps in all subjects at KS1 for greater depth and a gap in the number aspect for exceeding in the EYFS. This is due to prior poor quality provision when the previous school was judged to be requires improvement, low starting points as supported by EYFS baseline assessments and benchmarking of mobile pupils on initial entry to the school. Whilst poor teaching has now been eliminated, several cohorts retain a legacy of previous poor attainment. |
| C. | Whilst overall attainment at the end of KS2 has risen in all subjects to be in line with national figures, there remain cohorts of pupils whom have previously experienced poor quality provision. This poor provision has had an adverse effect on both their attainment and progress in reading, writing, maths and grammar; however, this poor provision has now been eradicated. Due to improvements in provision, a higher proportion of pupil premium children now attain at least the expected standard than other pupils. Pupil premium children now also perform as well as or better than other children at reaching at least the expected standard in end of key stage assessments in the EYFS and KS1, except for a 24% gap in KS1 in Writing. The gap for attainment achieving at least the expected standing in Writing is present in internal assessments for the majority of the cohorts in the school. |

External barriers

- | | |
|-----------|---|
| D. | Attendance rates for pupils eligible for PP are lower than that of the academy percentage. This reduces their school hours and leads to the potential of them making less progress. |
| E. | The school has 20 children receiving early help, family support engagement or are on Child Protection or Children in Need plans. 16 of these are eligible for PP. Out of the 3 children on Children In Need Plans, all 3 are eligible for PP. |

4. Outcomes

	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	To enrich the curriculum and provide experiences to enhance progress in academic, social and emotional development.	Improved attainment and progress in reading and writing for PP children across all year groups to match national data; continuing to close the gap in the EYFS and KS1 for greater depth/ exceeding.

B.	Higher rates of attainment and progress across KS2 for high attaining pupils eligible for PP in reading, writing and maths as identified through KS1 results.	For the attainment gap measured against national to be closed at the end of KS1 and KS2. Pupils eligible for PP, identified as high ability, make as much progress as 'other' HA pupils nationally across Key Stage 2, measured in Y 3 4, 5 and 6 by teacher assessments and successful moderation practices established across the multi-academy trust (MAT).
C.	To raise overall attainment for all children at the end of KS2 in reading, writing and grammar through closing the gaps in skills, knowledge and understanding for the current Yr 5 and 6 cohorts.	To have narrowed the attainment gap for our PP children against the national figure over two years.
D.	As academy wide attendance improves, the attendance of pupils eligible for PP to increase proportionately to be inline or above the academy wide percentage	Overall attendance for PP pupils improves and closes the gap on the cohort. For pupils, who have previously had exceptionally high rates of absence, attendance is rising quickly towards the national average.
E.	Early engagement and support from our Removing Barriers to Learning Team leads to a reduced impact on life chances as evidenced through falling exclusion figures, shorter term CP plans and increased parental engagement. Through work with external agencies, families are supported to improve parenting capacity.	Improved identification of children needing internal family support leading to fewer children needing long term child protection plans. Continued work with external agencies to provide additional support where needs cannot be catered for within school.

5. Planned expenditure					
Academic year		2018/19			
i. Quality of teaching for all					
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
A - To enrich the curriculum and provide experiences to enhance progress in academic, social and emotional development.	<p>Offer a significantly subsidised breakfast club which focuses upon family values and caters for the needs of our most vulnerable families. PP pupils are prioritised for this provision and are able to access it on an adhoc basis as needs arise. At least, 50% of places are to be offered to pupils on the PP register should the need arise.</p> <p>Through working with 'Magic Breakfasts' provide breakfast provision to all pupils due to significant deprivation and number of Just Managing families.</p> <p>Early language development and real life experiences will be enhanced through the EYFS provision and 30 hours nursery offer. Adults are astutely trained to promote rich language experiences and staffing levels allow for personalised provision.</p> <p>Free after school clubs will provide pupils with enhanced life chances which they would otherwise be unable to attend. These will focus upon developing pupils' social skills and communication.</p>	<p>Maximising the opportunities within the school days for children to develop their spoken English will enable them to access the wider curriculum.</p> <p>Provision implemented during previous years, demonstrated improvements in confidence and application.</p> <p>Developing the character of the whole child supports social functioning and academic performance</p>	<p>A Pupil Premium Review to be commissioned in January 2019</p> <p>Boxall profiles will show increased percentiles.</p> <p>Accountability of varying stakeholders</p> <p>Be an interwoven theme across SIP which is reviewed by governors and Trust.</p>	<p>Principal</p> <p>Pastoral Support Lead</p> <p>EVC</p> <p>EYFS leader</p>	<p>Jan 2019</p> <p>&</p> <p>Sep 2019</p>

	<p>School facilities are provided for use to local community groups either free of charge or at a nominal rate.</p> <p>Development of outdoor junior provision and roles to provide pupils with opportunities to contribute to the school community and build communication skills alongside strengthening character.</p> <p>Through committing to character education, ensure that pupils develop a well-grounded and conscious understanding of their strengths and areas for development.</p> <p>Year 6 residential visit will be heavily subsidised to provide pupils with opportunities to work outside of their comfort zone in a safe environment.</p> <p>All school visits will be 50% subsidised so to reduce pupils' likelihood of being disadvantaged by their circumstances.</p> <p>Continuation of nurture provision to support social and emotional development of vulnerable pupils</p> <p>Specialist Speech and Language teaching assistant to deliver established programmes to help children overcome speech impediments and difficulties.</p>
