------	-----------	-------------------

Teaching	Ensuring enough time is given over to allow for staff professional development	Use of INSET days and additional cover being provided by PPA teachers and SLT
Targeted support	Ensuring enough time for maths and English leads to develop their subject area and support teachers with targeting specific groups of children	English and maths lead to receive 1.5 days release time and have high quality cover as class teachers for Y2 and Y6
Wider strategies	Engaging hard to reach families	RB2L team to work with LA, external agencies and other TMET schools

### Review: last year's aims and outcomes

<b>£126,720 (+ £2702 for Early Years PP)</b>	
<b>Aim</b>	<b>Outcome</b>
To enrich the curriculum and provide experiences to enhance progress in academic, social and emotional development.	Improved attainment and progress in reading and writing for PP children across all year groups to match national data; continuing to close the gap in the EYFS and KS1 for greater depth/ exceeding.
Early engagement and support from our Removing Barriers to Learning Team leads to a reduced impact on life chances as evidenced through falling exclusion figures, shorter term CP plans and increased parental engagement. Through work with external agencies, families are supported to improve parenting capacity.	Improved identification of children needing internal family support leading to fewer children needing long term child protection plans. Continued work with external agencies to provide additional support where needs cannot be catered for within school.
To raise overall attainment for all children at the end of KS2 in reading, writing and grammar through closing the gaps in skills, knowledge and understanding for the current Yr 5 and 6 cohorts.	To have narrowed the attainment gap for our PP children against the national figure over two years
