

Hello,

We have had another fun filled week of super learning. On Monday, we welcomed Wendy in for a day of great Parable Arts sessions. The children heard the parables of The Good Shepherd and The Prodigal Son. They then considered what they could learn from these stories.

Tuesday was European Day of Languages; it was a superb opportunity for each class to learn about a different language spoken across Europe. Have a look at X formerly known as Twitter to see some of the great videos that have been produced by each class.

You will have received an email regarding Parents' Evening this week. The booking system is now open. Please log on to MCAS to book your place. If you have any issues or queries, please speak to the school office.

A reminder that we have pre-loved uniform available at the school office. Please speak to the office staff if you would like to have a look at what is on offer.

The next Friends of Knighton Mead meeting is on Friday 6th October. If you would like to attend, then please come to the school office at 9:00am.

Several concerned parents have spoken to staff about the increased number of people parking on yellow lines and markings when dropping off their children at school. Please remember that these lines are there to keep everyone safe at the start and end of the day.

Finally, a reminder that PE kit is needed in school for when the children have PE. Please see information on PE days below:
