

Hello,

I hope that you have all had a good week.

After consultation with the Primary Leadership Team and Senior Leadership Team, we have decided to allow children to wear leggings as part of the uniform policy. We understand the need for children to be able to move freely. I would like to reiterate that children should also wear a long top – not cropped tops or ‘belly’ tops please.

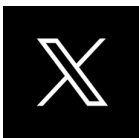

We had a visit from the TMET Executive Team on Wednesday. They had the opportunity to meet children, visit lessons, meet parents and speak to staff. It was a really positive day and the team were impressed with how happy and confident the children were. They spoke of a positive vibe around the school where children loved learning.

Last week, we had Crazy Hair Day to raise money for Community Wishes. Thank you to everyone who supported this. We raised £124.70 for this fantastic charity.

We would like to say a huge congratulations to Coach Elley who has secured a teaching job at a school much closer to home. Whilst we will miss Coach Elley in school, we wish her all the best in her new job and know that she will be amazing. Thank you for all of your hard work and passion at Knighton Mead – you will be missed.

Finally, congratulations to Chloe Harris who was one of the winners in the TMET parent survey that was conducted last term. Chloe has won an Amazon voucher. Well done and thank you for taking part in the survey.

Have a wonderful weekend,
Miss Rebecca Smith.

Problem Solving :

Using a variety of strategies and resources to help you solve something difficult. May involve perseverance.

Primary Leadership Team #collaboration #community

The PLT have been discussing how to stay safe when coming to and from school. They have discussed using the traffic lights when crossing Saffron Lane and making sure to wait until cars have stopped. They would also like to remind you not to walk in the cycle lanes as this can be very dangerous. Finally year 5 and 6 are reminded to line up next to the hedge in the morning and to not block the pavement as it makes it unsafe for other pedestrians.
