

Hello,

I hope that you have had a wonderful break and managed to spend some time doing things that you enjoy.

We would like to wish all of our families, staff and community who were celebrating, Eid Mubarak. May your year be filled with love, peace and prosperity.

A reminder that children should be coming to school in uniform every day and bringing their PE kits into school with them. You will find attached the uniform guidance.

At Knighton Mead we always strive for excellence. One of the ways that we would like to further improve our school is by developing the ethos around behaviour.

Please complete the short survey by Friday 19th April to give your opinions on current behaviour at Knighton Mead:

STRESS AWARENESS MONTH

APRIL 2024

ISSUE 01

April marks the start of Stress Awareness Month 2024, and at Healthy Together we wanted to share with you some resources that can support children who may be experiencing stress and worry.

SUPPORTING THE TRANSITION FROM PRIMARY TO SECONDARY SCHOOL

One of the most common concerns for children in primary school as we approach the end of the academic year is the transition to secondary school for those in Year 6.

To support children, teachers and parents/carers during this time, we have a number of resources that provide support, advice and information:

Lots more advice on feelings, stress and worries can be found on

HELP YOUR CHILD LET THEIR FEELINGS, WORRIES AND STRESS FLOAT AWAY

It can be hard for children to open up about any stress they are feeling or worries they might have.

Our lanterns game is designed to help with this as it encourages children to write down how they are feeling and then watch them float away into the distance on one of our lanterns.

This can show them the benefit of opening up and expressing how they are feeling, and the weight that can be lifted from doing so.
