

Hello,

It has been a very interesting week with the weather – I think that Monday saw every weather type before the start of the school day. As we look around the playground, we can start to see the signs of spring and it reminds us brighter (and warmer) days are ahead. Our Year 3 and 4 Eco Warriors are busy working to make sure that the plants are looked after and the playground is looking at its best.

Happy Vaisakhi to all of our friends, families and staff who were celebrating this week. May your year be filled with love, peace and prosperity.

STRESS AWARENESS MONTH

APRIL 2024

ISSUE 01

April marks the start of Stress Awareness Month 2024, and at Healthy Together we wanted to share with you some resources that can support children who may be experiencing stress and worry.

SUPPORTING THE TRANSITION FROM PRIMARY TO SECONDARY SCHOOL

One of the most common concerns for children in primary school as we approach the end of the academic year is the transition to secondary school for those in Year 6.

To support children, teachers and parents/carers during this time, we have a number of resources that provide support, advice and information:

Lots more advice on feelings, stress and worries can be found on

HELP YOUR CHILD LET THEIR FEELINGS, WORRIES AND STRESS FLOAT AWAY

It can be hard for children to open up about any stress they are feeling or worries they might have.

Our lanterns game is designed to help with this as it encourages children to write down how they are feeling and then watch them float away into the distance on one of our lanterns.

This can show them the benefit of opening up and expressing how they are feeling, and the weight that can be lifted from doing so.
