

Hello,

I hope that you have had a good week.

### **Ofsted Inspection.**

This week, we welcomed in Ofsted. This was the opportunity for everyone at Knighton Mead to shine and showcase the wonderful things that happen here.

Thank you to each and everyone of you who completed the parent survey. It really is a useful way for Ofsted to hear your voice and for us to understand what we are doing well and how we can improve.

I also wanted to compliment you on the excellence of your children. At Knighton Mead, we have the values of Be Kind, Work Hard. Strive for Excellence. Every single child demonstrated this over the course of the visit, as they do every day. We couldn't be prouder of how the children conducted themselves.

We cannot share any final details of the report until all of the fact checking has been completed and the report has been published. We will, of course, inform you when this happens.

### **National Down's Syndrome Awareness Day**

On Thursday 20<sup>th</sup> March, we are asking the children to wear something that makes them happy to recognise National Down's Syndrome Awareness Day. We think that it is important the children know about the things that make us unique and to have a greater understanding of others.

Have a good weekend,

Miss Rebecca Smith.

Congratulations to our badge winners this week...

#### **Richmond Class:**

Rahul, Faustyna – first white badge

Zoya, Zuzia – second round white badge

#### **Lansdowne Class:**

Juana, Ireoluwa, Trixie – first white badge
